## Sewing Patterns

*Paisley Pincushion*

## Label Jacket Pattern

\$9.00

Ladies, here is the answer to the dirty shirt from yard work.....or  down and see that your good shirt has just gone bad, it's time to

This pattern is totally reversible.....I love doing mine up in stripes on one side.....and some cute hobby type print on the other. The buttons are double also.....just slip the Label Jacket off, give it a turn and a shake and you have a whole new look.

Another great thing about this pattern.....it has a child's size in it. Picture a little paint shirt, or a gardening shirt like yours.

Sleeves are 3/4 length. Body length is mid to upper thigh.

Because this is a double yardage garment, it is great in the summer with no shirt underneath.....and keep the lapels straight. Works good in the winter for extra warmth over your good shirt.

Bottom hem is longer in the back....for bending over.

Each pattern comes with 2 woven labels.....see, one for each side. AND more labels can be had for .50 each for the asking.

Sizes are Childs 4-6, XSM 4-6, SM 8-10-12, MED 14-16-18, LG 20-22-24, and XLG 26-28-30.

Bust ranges from 25" up to 54". Girls, I got you "covered".
