Jumper Dress

\$9.00

The bodice is lined in contrasting fabric to show on the outside with the same back lapels and back fringe. It's a pullover, so no buttonholes! The buttons down the front do style. Add 1/2" to 1" to the top are added to compliment this jumper. Armholes are cut high enough to wear without a shirt in the summer (of course, don't turn back the lapels). Jumper dress goes together very quickly.
